► **Comintel enters into REPPA with TNB**

COMINTEL Corp Bhd has announced its sub-subsidiary Comintel Green Technologies Sdn Bhd (CGTS) had entered into renewable energy power purchase agreement (REPPA) with Tenaga Nasional Bhd (TNB) on Nov 15, 2013. CGTS was granted a feed-in approval by Sustainable Energy Development Authority Malaysia on July 9, 2014, to convert biomass into renewable energy and supplied it to TNB at a feed-in tariff rate of RM0.4231 kilowatt-hour (kWh) for 16 years commencing from May 31, 2015. Comintel Corp said in its exchange filing last Friday the annual revenue contribution is approximately RM6.67 million, starting from the feed-in tariff commencement date.
