Uniten overall champion of Perintis 2018

Last update: 01/11/2018

SHAH ALAM, Nov 1 (Bernama) -- Universiti Tenaga Nasional (Uniten) has emerged as overall champion in the Invention and Innovation Competition of Private Higher Education Institutions (Perintis 2018) which is in its third edition.

The university was declared overall winner when its innovative product, Smart and Sensitive Solar Floating Platform, topped 144 products from 38 private higher education institutions in the competition organised by the Management and Science University (MSU) campus here today.

Deputy Education Minister, Teo Nie Ching gave away the prizes.

Also present were MSU president and founder Prof Tan Sri Dr Mohd Shukri Ab Yajid and Universiti Teknologi Petronas (UTP) vice-chancellor Prof Dr Mohamed Ibrahim Mutalib.

Meanwhile, Teo in her speech said the ministry welcomed and fully supported initiatives carried out by higher education

institutions to elevate the research culture in the country.

She said innovations and inventions were the main focus in moving towards a developed nation status in 2020 as innovations would support economic growth and development....
