MEPA signs MoUs with ICEM, EIM to form FOMEA

Last update: 16/11/2018

PUTRAJAYA, Nov 16 (Bernama)-- The Malaysian Energy Professionals Association (MEPA) today signed memorandums of understanding (MoU) with the Institution of Certified Engineering Malaysia (ICEM) and the Energy Institute Malaysia (EIM) to pave the way for the formation of the proposed Federation of Malaysian Energy Associations (FOMEA).

MEPA President Datuk Mohsen Hasbollah in his speech said FOMEA aimed to be a nationally acknowledged organisation and would only recruit associations related to the energy industry as members.

"Individual or corporate members are not being recruited as their membership falls under the associations that FOMEA would be recruiting," he said at the MEPA Energy Night here today....
